Prophet Isa (alayhi salam) was the last messenger sent to the people of Bani Israel. He was also the last prophet before Prophet Muhammad (peace be upon him). His life was filled with miracles and wonders. However, many people refused to obey him.

He (alayhi salam) was given many super powers by Allah.

Let us take a look at his life and the lessons we can learn inshaAllah.

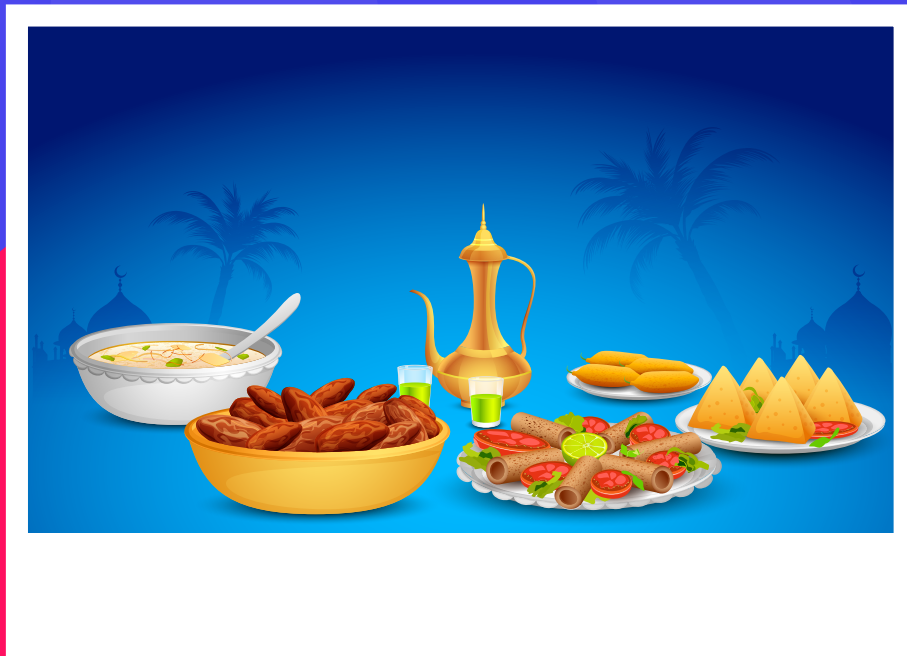

The strength and imaan of Maryam (alayhi salam)

Isa (alayhi salam)'s mother

Maryam (alayhi salam) was a devout woman, who spent her days and nights worshiping Allah. She was extremely chaste and knowledgeable.

Once, her uncle Zakariya (alayhi salam) visited her and was surprised to see a huge table filled with a variety of delicious foods spread in front of her.

- He (alayhi salam) asked her where she got these amazing foods from.
- Maraym (alayhi salam) replied that Allah provided her with all this and more. Zakariyah (alayhi salam) was extremely surprised and couldn't believe his eyes!

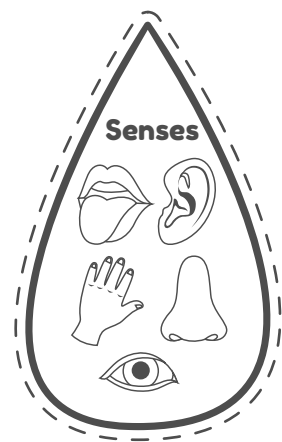

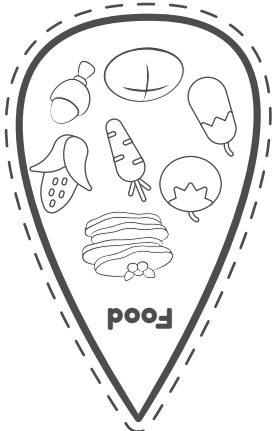

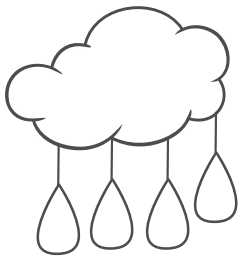

Be grateful

Just like Maryam (alayhi salam), we must always put our trust in Allah and be thankful for everything He has blessed us with.

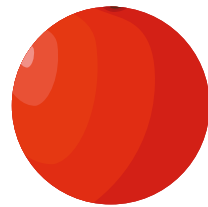

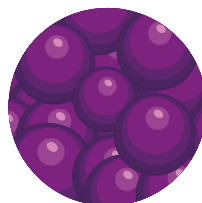

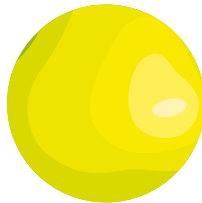

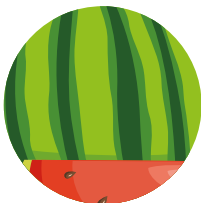

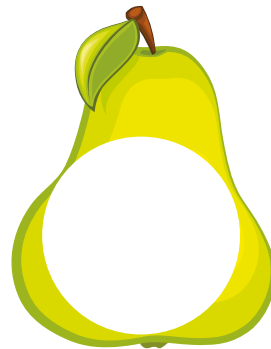

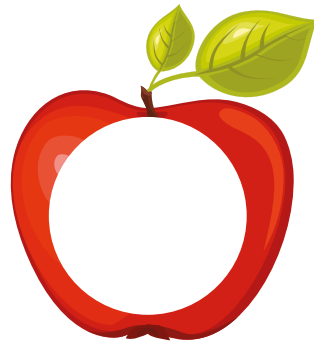

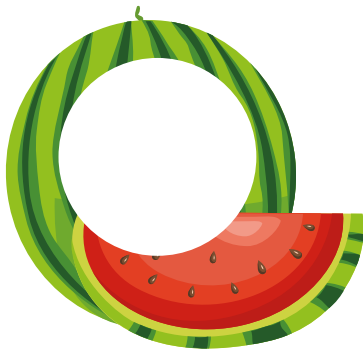

Today, let us make an "Alhamdulillah" cloud.

Let us thank Allah for
the food He has given us

An angel visits Maryam (alayhi salam)

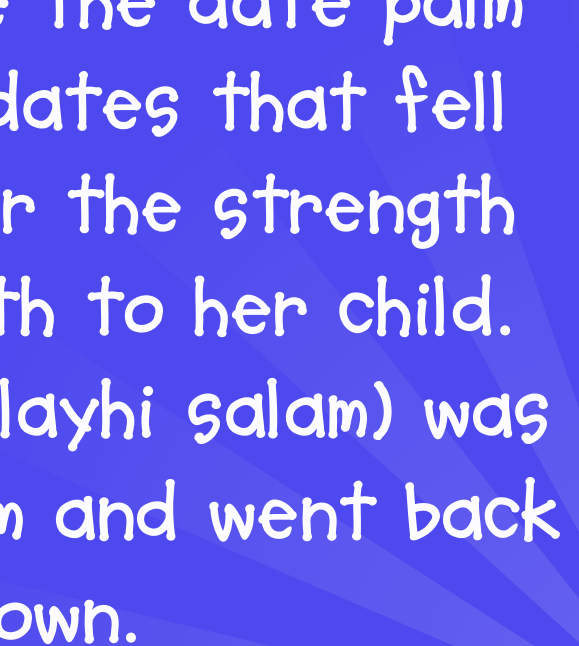

★ One day, an angel greeted Maryam (alayhi salam) and told her that she would soon have a baby. ★

Maryam (alayhi salam) was shocked, but slowly learnt to accept Allah's plans. She was asked to go to a far away place until her baby was born. When it was time for her to give birth,

she crawled underneath a date palm tree and used it as a form of support to ease her pain. Allah then asked her to shake the date palm tree and eat the dates that fell down. This gave her the strength needed to give birth to her child. When her son Isa (alayhi salam) was born, she carried him and went back to her town.

Isa (alayhi salam)'s birth

Do you know that Prophet Isa (alayhi salam) does not have a father? Yes! Allah is All Powerful and Mighty. Allah can create anything He (swt) wishes for! He (swt) therefore, created Prophet Isa (alayhi salam) without a father. This was a miraculous thing for people to witness. When they saw Maryam (alayhi salam) with a baby, they could not believe their eyes. They accused her of false things and called her unchaste.

Allah is able to do all things.

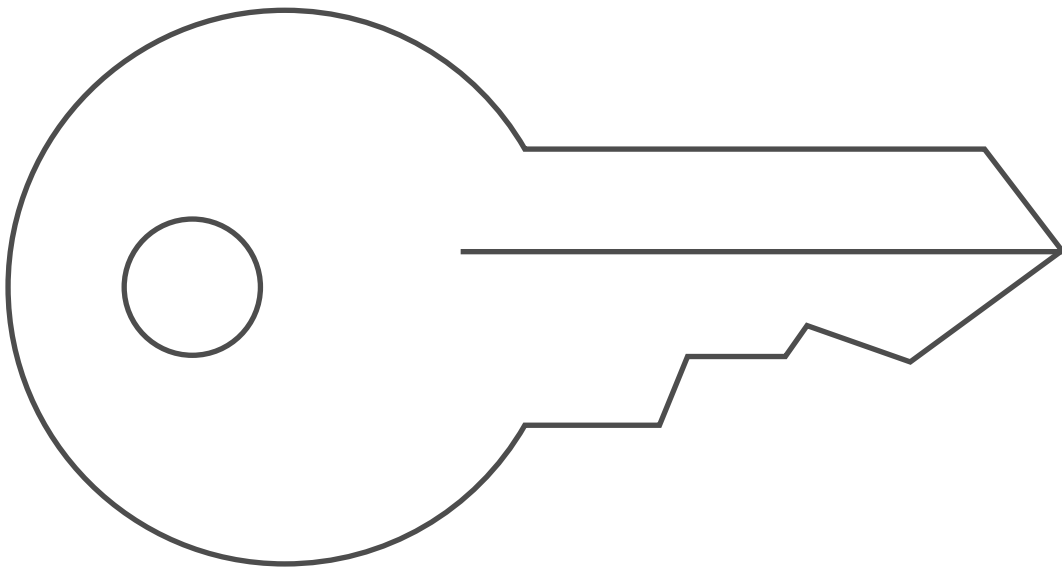

Therefore, if you need help with anything,
always remember to ask Allah by raising your
hands up in dua. He (swt) answers all our
duas and wishes.

Isa (alayhi salam) spoke from his cradle

★ ★ ★ ★

Well, Isa (alayhi salam) could speak right from the time he was born! He (alayhi salam) spoke to the people and said that he (alayhi salam) was a prophet of Allah! ★

Prophet Isa (alayhi salam)'s miracles:

- The people were shocked to see a baby speak but they could not accept his message. They refused to worship Allah, except a few.

With Allah's permission,
prophet Isa (alayhi salam) could:

Cure the blind and
restore their eyesight

Heal the sick

Heal those
with leprosy

Bring a dead bird
back to life!

Prophet Isa (alayhi salam)'s message

Just like every single prophet before him, Prophet Isa (alayhi salam) came to deliver the message of tawheed – to worship Allah alone and no one else.

Although some people believed in his message and worshiped Allah, others were stubborn in their beliefs and refused to accept Isa (alayhi salam).

Isa (alayhi salam) also said that Allah will send a final Messenger named Muhammad (peace be upon him) who would spread the message of Islam.

Allah has blessed us with the guidance of Islam.

When we are on the straight path, we can be safe from Shaitan. Have you taken your time out to remember Allah today and thank Him?
